Dear Citizens & Businesses,

As we all know we are in a temporary new norm. We, The City, are in multiple daily meetings with multiple state and federal agencies keeping up with the latest news and views on the Covid-19 virus pandemic. All precautions are being taken by your city government to stem this pandemic. All public ball fields, tennis courts, city court and public restrooms, will be closed to the public per CDC guidelines. Any updated information from the state of Mississippi or Washington DC will be posted on this website – WWW.PASS-CHRISTIAN.COM as soon as we get them. Small businesses are the backbone of all cities and maybe more so than ever in Pass Christian. We cannot express enough to SHOP LOCAL. Many businesses are open at this time, at their discretion, and need your support. If there are any changes to this information, they will come from our Governor or President and we will inform you and our businesses ASAP.

Sincerely,

Mayor Leo “Chipper” McDermott
