**Mississippi Sound Coalition meeting
Wednesday, Apr. 19th
at PASS CHRISTIAN CITY HALL 2:00 pm**

The City of Pass Christian will be hosting the next meeting of the Mississippi Sound Coalition on Wednesday, April 19 in the Library Conference Room. The Coalition was created to come up with a solution to the Corps of Engineers opening up the Bonnet Carre spillway in order to prevent the City of New Orleans from flooding. However, every time they open this spillway, it pours fresh/polluted water into Lake Pontchartrain and then into the Mississippi Sound. This results in increased salinity that kills our oysters.

Please try to attend.

Thank you.
