Susan,
Please post the following on the City's Facebook page along with the attachment:

Thank you.

As approved by the Board of Alderpersons on February 15, 2022, the Mayor has worked with the Gulf Regional Planning Commission (GRPC), with input from the Alderpersons, to develop the attached two alternatives to redistrict the City of Pass Christian to ensure that each Ward has approximately the same number of full-time residents. The City is legally required to conduct this exercise every ten years to ensure that the number of residents in each Ward remains relatively the same. The data is taken from the 2020 Census and it equates to 5,686 full-time residents (1,422 per Ward). Over the past 10 years, Ward 3 has grown by approximately 38% while the other Wards have experienced reductions in the number of full-time residents. The reduction in Ward 1 is approximately 10%, in Ward 2 it is approximately 18%, and in Ward 4 it is approximately 10%. The Redistricting Alternatives ensure that the diversity breakdown in each Ward remains relatively the same.

A Public Hearing will be held on Tuesday, April 23 to get input from the public on the two Redistricting Alternatives, and the Board of Alderpersons will approve the new Redistricting at a subsequent meeting.

Thank you.
