

Greetings Guardians of the Earth!

When was the last time you got out and “Rocked the Earth”? We are presenting you the opportunity to do just that. Please accept our invitation for your organization to participate in our first “Rocking the Earth-Day Fest”.

We would like as many environmental organizations as possible to come and help us spread the word of protecting our planet and all that belongs to it. This is a family-oriented festival with free admission.

We will have levels of sponsorship if your organization is interested in helping us cover costs associated with this fundraiser.

**This event will take place on Saturday, April 20th, 2024
At War Memorial Park, in Pass Christian, MS.**

We will also have food trucks, beer and soft drinks vendors, educational shows with live animals, and last but not least – LIVE ENTERTAINMENT. We are going to rock the earth!

Setup will be at 9:00 am (come early if you need extra time). We will kick this event off at 10:00 am.

We do ask that all participants stay with us until 5:00 pm before breaking down displays/booths.

Afterwards, we hope you will relax and enjoy the evening with us. Bring a blanket or a chair and end the evening enjoying live musical entertainment.

Please RSVP via phone, text or email by March 20th, 2024.

Sincerely yours,

The Entire WWR Team
