

Cargo Lift General Safety Affidavit and Indemnity

1. *Only applications that are accompanied by a spec sheet or stamped engineering drawings will be accepted.*
2. All Cargo Lifts are designed to carry non-living cargo only.
3. Cargo Lifts should not be operated by anyone under the age of 18 years of age.
4. Cargo Lifts should never be operated by anyone under the use of alcohol or drugs (Cargo Lifts are considered heavy equipment, and should not be operated while using prescription drugs advising against the use of heavy equipment.)
5. Stay at least 10 feet away from the cargo lift while in operation or the up position.
6. Make sure all children, animals, or objects are clear while cargo lift is in use or up position.
7. Make sure all cargo is secure and positioned correctly before lifting or lowering.
8. Never lift objects that exceed the capacity of the cargo lift.
9. Inspect the cargo lift before operating.
10. Always inspect your cable for damage and improper wrapping before operating your cargo lift.
11. Keep all objects and body parts away from pinch points on the cargo lift and /or around the lift.
12. If your cargo lift becomes damaged or in need of repair, shut power off supplying the main control unit. Barricade around perimeter of unit alerting others that unit is damaged and should not be used. **DO NOT OPERATE UNTIL REPAIRED AND CERTIFIED OK BY AN AUTHORIZED REPAIRMAN.**
13. Do not operate lift without ground fault interruption device.
14. Do not operate lift under a threat of lightening. Aluminum and stainless are conductors of electricity.
15. Make sure you and all other persons operating the cargo lift read and understand the operations and maintenance manual before operating.
16. Power should be turned off to the control box while unit is not in use.
17. Make sure the lifting gates are secure before lifting.
18. Perimeter gating should be in place and secure before lifting.
19. Cargo lifts used incorrectly or negligently can result in serious injury or death.

_____, owner of the property located at

_____, have read the owner's manual provided by the supplier and understand and will follow all instructions and the Cargo Lift General Safety guidelines as stated above and agree to release and indemnify the City of Pass Christian, the Building Official, inspectors, and any and all agents, employees, or officials from and/or against any loss, expense, claim, liability, or asserted liability, whether disputed or otherwise, incurred or arising as a result of or in any way related to any and all claims, proceedings, or actions for bodily injury, death, or property damage, arising or resulting from or relating directly or indirectly from use and/or operation of the Cargo Lift at the above address.
