The City of Pass Christian appreciates your efforts in contributing to the heart and vitality of the City through your proposed Special Event. We recognize that the City of Pass Christian is fortunate to have many varied and beautiful parks and friendly streets and neighborhoods, all of which provide wonderful venues at which to hold Special Events.

A special event is defined as one or more of the following situations occur: (1) Outdoor entertainment is being offered; (2) An admission fee is charged; (3) Vendors sell food products/wares; (4) Carnival games/amusement rides are offered; (5) Attendance is double the estimated population in the area where the event is to be held; (6) Purpose of event is a fundraiser; (7) It interferes with parking, safe movement of pedestrians and/or vehicular traffic in the area; (8) Alcoholic beverages are sold; or (9) a sports tournament is involved.

To preserve the City's natural resources, while still offering enjoyment, the City may permit the temporary use of public properties or roadways for special activities. The City coordinates the review of these events with various City departments to ensure that the events are conducted safely.

The City Clerk's Office will distribute copies of your application to all City departments or agencies affected by your event. These department or agencies will contact you individually **only** if they have specific questions or concerns about your event.

PURPOSE: The purpose of the Special Events Policy is to promote uniform procedures to regulate and permit special event activity at locations under the jurisdiction of the City of Pass Christian. The Special Event Application is a starting point for any group or individual who wishes to hold an event, parade, assembly, festival, or similar affair, within the municipal limits of the City of Pass Christian.

SPECIAL EVENT APPLICATION REQUIRED: This Policy Statement on Special Events covers all special events. Any organization wishing to sponsor or hold a Special Event in the City of Pass Christian that takes place on public lands or lands that are controlled by the City of Pass Christian will be required to complete the City of Pass Christian Special Event Application.

A Special Event within the City of Pass Christian that will be conducted on the streets, parks or other public area is required to be approved by the Mayor and Board of Aldermen. Applications to conduct a Special Event must be made in writing to the Office of the City Clerk. **The Mayor and Board of Aldermen meet on the first and third Tuesday of each month; applications must be received no later than noon on Wednesday prior to Tuesday's meeting.** Applications are available from the City Clerk's Office and via the City's website at www.pass-christian.com.

The City will provide a complete review of any special event application, including consultation with the applicant as may be reasonably necessary to resolve problems and/or concerns.

Sponsors of Special Events should be aware that noise generated by the event could have an impact on the neighborhoods near the event site. Sponsors must be considerate of the neighborhood and be aware of the City Noise Ordinance.

As an event organizer, you must consider the availability of rest room facilities during this event. Consideration should be made regarding the type of event, the length of time it will be held, the number of people, etc. You must determine the rest room facilities in the immediate area of the event venue and then identify the potential need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

IMPLEMENTATION

Eligibility Requirements: The application or representative of any business, group or organization that seeks approval to conduct a special event, must be 21 years of age or older and officially designated as the agent of the sponsoring business, group, or organization.

Application Procedure: A Special Event Application must be received in the City Clerk's Office no later than ninety (90) days before the first day of the event. An incomplete application may result in denial of your request. We ask that applicants begin the process as early as possible in order that proper approvals and deadlines are met.

Please submit the following information:

- Signed application

- Map (sketch) of event site, detailing street closures, parking requirements, etc.

- Schedule of Event

- Proof of insurance/indemnification (naming City of Pass Christian as an additional insured")

Mapped Routes

A detailed map or diagram indicating the specific locations and layout of the event must be submitted. This should also include any proposed street closures, proposed route and direction of route including all turns and the number of traffic lanes to be used, if applicable.

Routes for special events must be submitted with the license application, regardless of historical precedent. Proposed routes may be altered at the discretion of the Police Department and the Department of Public Works. In the event that the organizer or sponsor of any special event deviates from the route submitted without the approval of the city, the organizer or sponsor of such special event may be denied a permit for any special event for the following calendar year.

EMERGENCY MEDICAL SERVICES: Due to the vast number of different types of events, along with the anticipated crowd sizes, at a minimum, all event holders should have knowledge of 911 access and someone who is certified in First Aid/CPR. Also, basic First Aid Stations and/or kits should be on site.

LIABILITY INSURANCE REQUIREMENTS: To comply with the City's insurance liability carrier, the City must require that all sponsors of a special event carry liability insurance with coverage of at least \$500,000. An event sponsor must provide a valid certificate of insurance naming the City of Pass Christian as an additional named insured party on the policy and subrogation waived.

An event sponsor may request that the Mayor and Board of Aldermen waive the insurance coverage for an event classified as Low Hazard. A Low Hazard event is a small gathering or ceremony involving not more than 50 people, who are passively participating in the activity, without any physical activity by participants or severe exposure to spectators, and no City services are required. An event sponsor of a Low Hazard event must sign a Hold Harmless and Indemnification Agreement as part of its application process.

City Services: All costs are the responsibility of the permit holder. The Pass Christian Police Department reviews and determines which police services the event requires, and if necessary, the amount of security services for the event. Each City Department will list their cost on the Departmental Use form of the application packet.

CLEAN UP: Applicants are responsible for clean up and repairs. Applicants who fail to clean up and repair damages to the Event Area may be billed for City services and such failure will be considered for future applications.

WRITTEN CONFIRMATION OF CITY APPROVAL: It is expected that the event coordinator or a representative be present at the Board of Aldermen meeting to answer any possible questions that the officials or staff may have regarding your proposed event. **Please note, if questions arise at the Board of Aldermen meeting, and a representative is not present, your request may be denied.**

Upon approval of the Special Event Application, a written confirmation as to the action of the Board of Aldermen will be forwarded to the individual or organization requesting the event by the City Clerk's Office. This confirmation will outline any special conditions that must be met if the event is to be held.

PLEASE CONTACT THE CITY CLERKS OFFICE, WITH QUESTIONS REGARDING THIS POLICY AT (228) 452-3311.

CITY OF PASS CHRISTIAN
PLANNING COMMISSION MEETING

MEETING & HEARING DATE: May 26, 2026

ACTION REQUESTED: Variance for front load parking at the property located at approximately 126 Youngswood Loop of the Timber Ridge Subdivision, Tax Parcel Number 0312N-02-133.000

APPLICANT AND OWNER: Travis March and TM Construction

REVIEWED BY: Melodie Hayes, City Planner

CURRENT ZONING: T3R

Background

The applicant is requesting consideration of approval for a variance for front load parking at tax parcel number 0312N-02-133.000 and located at approximately 126 Youngswood Loop. Current zoning for this area is T3R, and the property is located in the Timber Ridge subdivision.

The property has dimensions that do not allow for turn in or side entry at this location. The majority of the homes in the development are front load parking. The applicant is requesting 2 driveways at front load parking and will not exceed 12' on each side and separated with landscape in the middle.

The building permit has not been submitted currently as the applicant has adhered to the city planner request of waiting until after the variance request is reviewed and approved by the Planning Commission and the Board of Aldermen meetings before submitting plans for a new single-family home to be constructed.

Staff has reviewed the request and recommends approval to allow the variance for front load parking for the above-mentioned lot. This lot would be consistent with other lots in the development.

1. There are extraordinary and exceptional conditions pertaining to the particular piece of property in question because of its size, shape, or topography that are not applicable to other lands or structures in the same district.

3. Granting the variance requested will not confer upon applicant any special privileges that are denied to other residents of the district in which the property is located.
4. The requested variance will be in harmony with the purpose and intent of this ordinance and will not be injurious to the neighborhood or to the general welfare.
5. The special circumstances are not the result of the actions of the applicant.

Dear Chief Williams,

Please accept this letter as my formal resignation from my position as a law enforcement officer with the Pass Christian Police Department, effective 5/29/26.

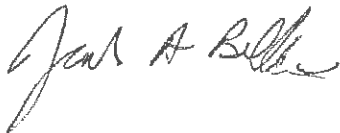

I appreciate the opportunities, experience, and professional growth I have gained during my time with the department. Serving the community alongside dedicated officers and staff has been an honor, and I am grateful for the support and relationships built throughout my employment.

Thank you again for the opportunity to serve with the Pass Christian Police Department. I wish the department continued success and safety in the future.

Respectfully,

**AGREEMENT BETWEEN THE PASS CHRISTIAN PUBLIC SCHOOL
DISTRICT AND THE CITY OF PASS CHRISTIAN, MISSISSIPPI FOR THE
PROVISION OF SCHOOL RESOURCE OFFICERS**

This School Resource Officer Agreement (the “**Agreement**”), is made effective this the 1st day of July, 2026, by and between the PASS CHRISTIAN PUBLIC SCHOOL DISTRICT (the “**District**”) and the CITY OF PASS CHRISTIAN, MISSISSIPPI, (the “**City**”) (collectively, the “**Parties**” and each a “**Party**”).

WHEREAS, pursuant Miss. Code Ann. § 37-7-321, the District may employ one or more persons as security personnel and may designate such persons as peace officers in or on any property operated for school purposes upon their taking such oath and making such bond as required of a constable of the county in which the District is situated;

WHEREAS, the District desires to obtain three (3) officers from the City of Pass Christian Police Department (the “**Police Department**”) to serve as school resource officers on designated District campuses located in Pass Christian, Mississippi; and

WHEREAS, the Parties desire to enter into this Agreement, pursuant to the provisions of Miss. Code Ann. 21-19-49(2), as amended.

NOW, THEREFORE, in consideration of the premises set forth above and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term.** This Agreement shall commence on **July 1, 2026**, and shall continue thereafter until **June 30, 2028**, unless sooner terminated pursuant to Section 14 (the “**Term**”).

2. **Employment and Assignment of School Resource Officers.**

a. During the Term of this Agreement, City shall provide three (3) School Resource Officers (“**SROs**”) to the District to conduct the services to the District as described in more detail herein.

b. The City agrees that if the Superintendent, in his/her sole discretion and after reasonable consultation with the City, determines that any SRO is or is likely to be unsuitable for the performance of the services under this Agreement or that continued presence of such SRO on the District's property is not consistent with the best interests of the District, its students, employees, trustees, or staff, but not for illegal or discriminatory reasons, then the District may request that the City remove such SRO from assignment to the District. Thereafter, the City agrees that it will move forward to find a replacement SRO for the District as soon as a new person can be reasonably identified and employed by the City for such purposes. It is understood between the Parties that at this time only the current SROs are able to fulfill such positions, and no other persons in the City's law enforcement department are able to do so on a full-time basis.

c. The SROs shall be on duty for the normal work hours for each week required for school operations as set by the Superintendent or his/her designee(s) and for

such overtime hours as shall be requested and approved in writing by the Superintendent or his/her designee(s). The Parties herein agree that each SRO shall be entitled to be on duty for a total of 8.5 regular hours per day for overtime purposes.

d. It is understood and agreed that time spent by SROs attending Youth Court and/or criminal cases arising from and/or out of their employment as an SRO with the District shall be considered hours worked under this Agreement.

e. In the event an assigned SRO is absent from or unable to attend work at the District under this Agreement for sickness, police training, vacation, or other authorized leave, the SRO shall notify both his supervisor in the Police Department and the Superintendent of the District or his/her designee of the school to which the SRO is assigned, as set forth in Section 16. In such event, the Police Chief or his designee will direct the law enforcement officers that are on duty patrolling the City during the school hours to make appearances and patrol the campus and provide assistance at certain intervals during the school day to be agreed upon by the Police Chief and the School Officials. It is understood between the parties that the SROs are entitled to sick and vacation leave based upon their longevity, "comp time" for other law enforcement work, personal leave, and holiday pay based upon the City's normal personnel policies and procedures and required to attend other mandatory law enforcement training each year. The Police Chief or his designee will endeavor to provide the designated school officials with timely notice of scheduled and approved leave and unanticipated sick leave for district planning purposes. The City will require its SROs to also directly provide the designated school officials will reasonable advance notice of their anticipated absences for leave as well as mandatory law enforcement training that must be achieved by the SRO each year.

3. **Compensation.** The District shall pay unto the City for the services to be rendered under this Agreement an amount equal to the actual cost of salary, FICA, Retirement, Workers' Compensation, Health/Dental/Life Insurance for 180 days for three (3) police officers assigned as SROs, and any overtime costs. In addition to the foregoing salary, the District shall pay each assigned officer one (1) additional dollar (\$1.00) per hour that the SRO is on duty under this Agreement. The District shall not be billed for the time of police officers that are appearing at the Schools when SROs are absent.
